

## Assessment

## **Reflective Questions (Step 3)**

Understanding of interdisciplinarity
 To what extent has this exploration changed or expanded your understanding of
 interdisciplinarity and merging different perspectives? Please elaborate.

2. Feedback

How did the peer feedback and discussions influence your view on the perspectives regarding your newspaper article and concept mind map?

3. Challenges

Describe if you encountered any challenges while forming connections between disciplines. If so, how did you address or overcome these challenges?
