

Assessment

Reflective questions

Use the following questions for the reflection with your peer:

1. How did you feel about completing the unconventional assignment?
2. What was the impact of being involved in creating the rubric? Did this change your approach to the assignment?
3. How did working on the rubric influence your learning from the assignment?
4. Considering the three evaluations of your assignment, what skills and knowledge have you gained, and what areas still need improvement?
